Dear Staff, Parents & Students, Assalam-O-Alaikum. I would like to thank all of you for your cooperation through out the year and look forward for your cooperation and dua in the future.

In order to improve our school, we are working on few different policies. We will keep you informed of all the changes for next year. Some of the issues that we are working on are discipline, uniform policy, cleanliness etc. I would like to request all of you to help our school to improve in these areas.

May Allah (SWT) accept all of us for the service of his Deen and enable us to provide the best to our children.

Br Zulfiquar Ali

## Hadith of the Week: Mercy of Allah

Abdullah bin Mas'ud رضي الله عنه reported: The Messenger of Allah ﷺ said, "I know of the last of the inhabitants of the Hell to be taken out from there and the last one to enter Jannah. He is a man who will come out of the Fire, crawling on all fours. Allah (SWT), the Rubb of glory and honour will say to him: 'Go and enter Jannah.' He will go to it and think that it is full up. He will then come back and say: 'O my Rubb, it is full up.' Allah (SWT) will say to him: 'Go and enter Jannah.' He will again go to it and think that it is full up. So he will turn back. Allah (SWT) will again say: 'Go and enter Jannah. For you have what is equal to ten times the world.' He will say: 'Are You making fun of me while You are the King?' At this I (i.e., the narrator) saw the Messenger of Allah ﷺ laugh till his premolars were visible and he said, "Such man will be the last dweller of Jannah in its lowest rank." [Al-Bukhari and Muslim].

## Exam Tips (Part 2 of 2)

Br Cem

This is a continuation from last week's article...

### The Exam/Test:

Here are some tips and hints **during** the exam or test,  
 \* Don't be too nervous. Be prepared and confident and be satisfied that you have tried your best.

\* Read all the instructions and questions carefully. It is amazing how many students make errors because they have not understood exactly what the question wants from them.

\* Time yourself well and work out how much time to spend on each question.

\* Start with the easiest questions first, but don't neglect the more difficult ones. Try to answer every question, even though you may not know much about it.

\* With longer or more difficult questions, plan the answer before you start writing.

\* If you run out of time, write down the main points of the answer (in point form if you have really run out of time).

\* Make sure your handwriting is clear and easily read.

\* Check & re-read your work if you have any time left.

a new one. The parents, teachers and the students enjoyed their afternoon. We would like to congratulate the girls and wish them success in their further studies.

## Arabic Writing Competition

Abdullah El-Leissy (LOTE department)

As most of us are aware, the Arabic Writing Competition was held on Monday the 27<sup>th</sup> of November. The number of contestants was outstanding, and so were the pieces of writing that were submitted by these students.

Considering the rather long process involved in reading essays and story writings, the teachers of the Arabic department have been occupied for the past week assessing these papers, and therefore, it was not until yesterday (Monday 4<sup>th</sup> Dec) that this process was finalised.

Most importantly, we would now like to congratulate the winners for achieving these outstanding results.

The nominated winners are:

### Years 7 – 10 (Boys / Girls)

Category	Name	Year
First	Amani Zayegh	7
Second	Halabia Merhi	8
Third	Fatima Taha	8

### Grade 5 & 6 (Boys / Girls)

Category	Name	Year
First	Norhan El Sayed	5
Second	Mubarak	5
Third	Ayse Uguz	5

We also praise and appreciate all the hard work and great efforts contributed by the remaining students who participated in this competition.

I would also like to thank the parents as well as our teachers for their tremendous support who spent a great deal of time and effort preparing these students and assisting them throughout the entire process.

It was built in 1465 during the reign of Ak Koyunlu's Sultan Y'aqub ibn Uzun Hasan by the orders of Salehe Khatun, daughter of Jan Beigom Khatun of the ruling royalty. After diying Uzun Hasan he has buried in the Southern part of mosque.

The mosque was severely damaged in an earthquake in 1778,

leaving only the entrance iwan. The mosque was reconstructed at early 1900 by Iranian ministry of culture.

The mosque was named as Blue Mosque because of so many beautiful blue tiles were used to cover the building. most of these tiles have been deteched by earthquakes but some of them are seen on the walls of building specially in the entrance gate.

## Secondary Art Project

Br G M Baloch

On Wednesday 6<sup>th</sup> December, students from year 8 & 9 finalised their art project by landscaping the front nature strip of our college. During this process they acquired various management skills by organising most of the steps to complete the project. This project has provided an understanding of real life projects for all the students involved. I would like to thank our principal for his support & congratulate all the students involved for successfully completing their project.
