Hadith of the week

Hazrat Abu Jafar R.A. reports from his father who reports from his grand father that Rasulullah Sal'am said: "Every man or woman who is stingy in spending in things or places in which lies Allah's pleasure, he will be made to spend much more in such a cause which incurs Allah's displeasure, and whoever, because of some worldly obstacle (requiring his attention) postpones going for Hajj, will find that the obstacle shall not be overcome until he sees the Haajis returning from their pilgrimage; and whoever (refuses) to assist another Muslim brother will be made to assist somebody in some form of sinful act for which there is no reward.

Public Holiday

Parents are informed that Tuesday, 4th November will be a Public Holiday. There will be no classes on this day and the school will remain closed.

A Poem by a Year 5 Student

The Truth Of War

Greed,

hatred,

the things that started it all.

Big consequences for something so small.

Killing each other through misunderstanding.

"Slaughter others," people demanding.

The balance of nature is crushed.

Silence itself is hushed.

For when in war, it's up to the head,

whether or not to bury the dead.

But their purpose is wrong.

Though they still remain headstrong.

When a battle is over,

what the winner **does get** . . .

is the victims' hatred all ready, all set.

School Eid Festival (Girls Side)

After a lunar month of fasting, Darul Ulum College's teachers and students took part in an Eid celebration which marked the beginning of Eid Al-Fitr and the end of the holy fasting month of Ramadhan. All attended on Thursday the 9th of October for an amazing festival which was held at Darul Ulum College of Victoria.

The Eid celebration included a wide range of rides for the students to enjoy. Ranging from cyclone, chair 'o' plane, jumping castle, mechanical bull, trackless train and hurricane. There was something for everyone to enjoy, for those who didn't have the stomach for the rides, there were plenty of other activity to keep them occupied such as henna, games, apple slinky and baby animal farm for everyone to see and feed.

As they were watching the students, teachers also enjoyed the cheerful mood as they helped make this amazing day a success.

This exciting event takes place each year at Darul Ulum College to mark the end of the blessed holy month of Ramadan, the teachers truly out did themselves this year, with the magnificent feast they prepared for all the students.

The students are looking forward to what next year's celebration will bring.

Eid Mubarak to All.

Visit to the office

Jalal , Raihaanah, Romaisa

On Wednesday 29th October , my class 2A went to the men's office. We saw a fax machine, mobile, speaker machine, bell machine and computers. I asked Br Khalid if he could say something on the speaker. He said 'testing 123.' We all felt happy. He tried to ring someone in his room. He also showed us how to use the speaker machine. Our favourite machine was the speaker.
