Hadith of the week

[Important] *The honour and respect of the words of Allah (SWT) and His Messenger (SAW) is obligatory on us. Due consideration needs to be given in the manner we dispose such material.*

Hudhaifah and Abu Hurairah Radiyallahu anhuma both narrate in a lengthy narration that Rasulallah Sallallahu alaihi wasallam said: The qualities of 'trustworthiness' and 'kinship' will be sent and will stand on the two sides of the Sirat (the bridge over Hell), right and left (so as to intercede for those who cared for them or object to those who disregarded them). Then the first amongst you shall pass over it like lightning. I said: May my father and mother be sacrificed for you what is meant by "pass like the lightning?" He replied: Do you not see how lightning passes and returns within the blink of an eye! Then, (the next in rank) would pass like the wind, and like a swift bird, and like a fast runner. That is, everyone will cross according to his deeds.

And your Nabi Sallallahu alaihi wasallam will be standing on (the Sirat) saying: O my Rabb! Grant safety! Grant safety! Until such people will come that due to the weakness of their deeds, they will only be able to crawl. He (then) said: And on the sides of the Sirat, hooks would be suspended ready to catch anyone whom they would be ordered to catch. So, some will escape wounded and some would be piled up in Fire. And by the One in Whose hand is the life of Abu Hurairah; Indeed, the depth of Hell is seventy years.

Information Evening Update Secondary Girls

I would like to extend my sincere thanks and gratitude for your participation in our secondary information night. It was a pleasure speaking with all of you and it was great to see that parents had the opportunity to speak with their daughters' teachers.

We eagerly wait for occasions like this to see what is happening in our child's life at school and we thank Almighty Allah SWT and our hard working teachers who provided such opportunity for parents.

We are forever grateful for your support and encourage you to communicate with us as we value your partnership immensely in the 'up bringing' of our students.

The backbone of our teaching and learning is the beautiful teaching of Islam, the love of Allah SWT and His Rasool S.A.W. We request that you support us in making Islam a practical way of life and please embrace, celebrate, practice and pass on any knowledge that students bring home Insha'Allah.

May Allah SWT give you and your children and all of us perfect guidance and Janatul Firdous and I thank you again for your support.

Clean up Australia Day 2011 Campaign - Boys Campus

DUCV's newly appointed Student Council Representatives (SRC) spearheaded this year's "CLEAN UP THE CAMPUS" project in style on the 4th of March, 2011. The 20- minute activity involved Grades 4 to Year 12 students. The 15 SRC members coordinated this activity and ensured the entire school environment was thoroughly cleaned including car park areas, school

fence, adjacent paths, mosque vicinity, garden areas as well as the play areas.

All the staff of Boys' Campus took part in this activity to support the new SRCs. It was pleasing to note the participation of the administration team, Hifz and Kitab boys as well.

SRCs are now ready to assist the school further with its next related project titled "ANTI-LITTER CAMPAIGN" which starts in Week 8, Insha'Allah.

SRCs were thrilled to see Sr. Shokria, who was the first staff to sponsor the event through *DUCV - Clean Up Initiative Website* and this nice gesture really inspired the boys at SRC.

Watch this Space for our next project details in the next issue of the newsletter, Insha'Allah.
