Dear Community Member,

RE: COVID-19 Vaccinations Available at Fawkner Community Hall

Please be advised that people can get vaccinated against COVID-19 at a pop-up clinic at Fawkner Community Hall, as part of a Victorian state program to boost vaccination rates over the coming weeks and months.

Fawkner Community Hall is located at 79 Jukes Road, Fawkner.

The vaccination clinic will operate from **Monday, 27 September to Wednesday, 29 September, between 10am-6pm.**

Bookings for vaccinations are preferred. You can book by calling the Coronavirus Hotline on **1800 675 398** (press 0 for in interpreter). Limited walk-ins are also available.

With everybody aged 12 years and over now eligible for vaccination, this is a great opportunity for people to get vaccinated in a familiar, accessible location.

By getting vaccinated, we are helping to protect ourselves, our loves ones, and our community. People aged 12-59 years will receive the Pfizer vaccine, and those aged 60 years and over will receive the AstraZeneca vaccine.

People can request to be vaccinated in a private space, **and women-only spaces will also be available.**
