

Darul Ulum College of Victoria

12 October 2022

Assalamu Alaikum Wr. Wb.

Dear Parents and Caregivers,

Weather Alert

In accordance with the recent weather alerts and warnings issued by the Bureau of Meteorology pertaining to the widespread minor to moderate flooding expected across northern and parts of western Victoria, we request you to exercise extra vigilance and caution tonight and tomorrow and when dropping off and picking up your children from school.

Most importantly, if your child is asthmatic and you have not provided the school with their updated Action Plan, we urge you to visit your GP as soon as possible. It would be deemed unsafe for them to attend school without an Action Plan, especially on days where Thunderstorm Asthma is declared.

Students travelling to school by public transport are advised to consider a Plan B with their parents in case services are delayed or cancelled. Please consider the safety measures as well.

See www.bom.gov.au/vic/warnings to view the current warnings for Victoria.

For more information on the Flood Watch Service:

<http://www.bom.gov.au/water/floods/floodWarningServices.shtml>

May Allah keep us all safe.

Kind regards,

DUCV Administration
