Assalamu Alaikum Wr. Wb.

Dear Parents / Guardians,

RE: Extension of Remote Learning for Foundation to Year 12 Students

You will probably have heard that the current restrictions in metropolitan Melbourne will be extended for another seven days. The restrictions, including those applying to schools, will now remain in place until at least 11.59 pm on **Thursday 19 August**.

Therefore, Foundation – Year 12 classes will continue to be conducted online via video live-streaming.

The live-streamed classes will be supplemented with tasks and activities that students are to access through the *Weekly Work Schedule* on Schoolbox.

All students are required to participate in the live-streamed classes as per the period allocations and timings outlined in their timetables that are accessible on Schoolbox.

Parents and students are reminded that it is a school requirement for students to switch their cameras on for the entire duration of a period.

Students of Year 4 and above who do not have access to a camera may consider borrowing a school's device. This is particularly important for the completion of online assessments in these year levels.

Please refer to the complete Remote Learning Directives for Students and Parents available on the Schoolbox link below:

<https://schoolbox.dulum.vic.edu.au/homepage/9251>

In the meantime, we pray that you stay safe and hope that students will be able to resume onsite learning soon.

Regards,
College Administration
