Assalamu Alaikum Wr. Wb.

Dear Parents,

RE: Further Update to the Staggered Return of Students for Week Starting Monday 1 November – Friday 5 November

As you may be aware, there have been a few confirmed coronavirus cases identified in the school within the last few days.

Whilst onsite classes are undoubtedly most effective, however, in reviewing the current rate of cases, the school management is overly concerned about the inevitable interruptions that will disrupt the learning continuum of students, should students of all year levels resume onsite learning next week.

With all the variables and risks associated with sending students and teachers into quarantine, the school management has decided to continue with the staggered return arrangement next week, between **Monday 1 November – Friday 5 November**, as per the attached schedule.

This will allow some time to further review and assess the rate of confirmed cases before students of all year levels resume full time onsite learning, Insha'Allah.

We recognize that vaccinations are not mandated for students, however, we are in the process of collating this data for students who are 12 years and above as the vaccination status will impact the quarantine period, should that requirement come into effect.

This decision of continuing with the staggered return schedule next week was not taken lightly as we strongly advocate for full-time onsite learning, however, given the status quo, this measure was deemed necessary and most reasonable to avoid further interruptions to students' learning and to minimize the risk of sending larger number of classes into quarantine.

We thank you for your understanding and we will update you with the attendance plan for the subsequent week and thereafter in due time, Insha'Allah.

Regards,
Mr Abdurrahman Gokler
Principal
