Assalamu Alaikum Wr Wb

Respected Parents and Dear Students,

RE: Co-Curricular Female Hifz Classes Timings

As you are aware, due to a range of variables, the starting time for the female Hifz classes was brought forward earlier this year from its original time of 7:45am to 7:30am. The Saturday classes were also brought forward to an 8:00am start instead of the regular 9:00am start.

However, Alhamdulillah, the school has recently managed to facilitate additional teacher-guided sessions through an alternative arrangement, as it was deemed necessary to maintain consistent timings for the male and the female departments.

Therefore, effective from **Tuesday 13 July**, the school timings for the female Hifz students will resort back to the original schedule as per the details below.

Days	Starting Time	Dismissal Time
Monday - Friday	7:45am	<ul style="list-style-type: none">▪ 3:00pm: Grade 4 and 5 students <u>without</u> siblings in upper levels.▪ 3:20pm: All remaining students
Saturday	9:00am	1:00pm

Consistent with the Hifz Homework Schedule, Years 4, 5 and 6 students are expected to spend 2 – 2.5 hours daily on their Hifz homework tasks. Years 7 and 8 students are expected to spend 2.5 – 3.5 hours daily.

To assist students in accomplishing part of their daily Hifz homework tasks in a structured manner, the school will be initiating Online Homework Support Classes via Microsoft Teams, supervised by the teacher between **4:30pm – 5:30pm** on weekdays. Students are expected to join these classes remotely.

Thereafter, students are expected to continue with their homework with the parent's support for 1 – 2.5 hours, depending on their year level.

The Online Homework Support Classes will commence on Monday 19 July. Further details of this initiative will be communicated in due time.

Jazakumu' Allahu Khaira.

Regards,
Administration
